

BLACKSBURG HIGH SCHOOL CLUBS & STUDENT GROUPS

Clubs at Blacksburg High School are designed to relate to curriculum, students' needs and student interests. All clubs have a faculty sponsor. There are over 80 clubs for students to choose from. Club dues vary from no dues to \$25.00 depending on whether or not there are state and/or national affiliations for the clubs. The average club dues are \$3.00 to \$5.00 and go to support club activities and service projects. Students should bring dues to the first meeting if interested in a more popular club like Chess Club or Video Game Club since they have limited space and take students on a first come, first served basis.

Clubs will meet 4 times this year. The first club meeting allows students to visit clubs they are interested in to see if they would like to join. Only members can attend club meetings for the remainder of the year. A roster of members is produced for each meeting to that if someone wants to join later in the year and the club is not full, they can be added to the roster.

Study Halls are provided for students who do not go to a club meeting.

Clubs are divided into three club groups for meeting purposes. Students can become a member of different club groups just as long as they meet at different times. A few of our clubs meet after school and their meeting schedule is based on the agenda that the students and the sponsor develop.

Clubs are an excellent opportunity for students to develop their leadership skills and participate in a variety of service projects.

On Club Days we have a schedule that allows Club Group 1, Club Group 2, and Club Group 3 to meet on the same day.

Club meeting times, locations and/or dues can possibly change after the first club day meeting so please make sure you verify that with the club sponsor before paying your dues.
