

## BHS ENROLLMENT PROCEDURE

Please be advised that all new students should be registered at the school in the attendance zone of the home address. Per MCPS policy, only students who reside in the Blacksburg District of Montgomery County will be allowed to enroll at Blacksburg High School.

### ENROLLMENTS WILL BE MANAGED ONLINE FOR FALL 2020 UNTIL FURTHER NOTICE

While we are working remotely, enrollment will take place as follows:

**1. STEP ONE: Register online** [Link to Registration Form](#)

**2. STEP TWO: Inform me by email** [twright@mcps.org](mailto:twright@mcps.org)

Once you have completed the Registration Form, email me that it was submitted. I will then reply with additional information regarding required documents, course offerings, and Fall 2020 dates.

**3. STEP THREE: Talk with a counselor**

After receiving a current report card or unofficial transcript, your student's counselor will contact you by phone or email to discuss course requests for next year.
